## Our Learning Culture

As we want our children to develop appropriate attitudes for learning we have a set of 'golden rules' for learning. We do not tolerate poor behaviour in our lessons. We want every child to have the opportunity to learn and we will not allow poor behaviour to prevent this.

**Our rules for learning are:** *Listen without speaking*  
*Engage in lessons*  
*Act responsibly*  
*Remember to bring reading bags, homework and P.E. kit*  
*Never settle for less than your best*

These rules are also displayed in classrooms and referred to regularly.

## Culture of celebration

We believe that positive reinforcement promotes appropriate behaviour and we use a range of rewards throughout the school.

These include:

- Praise from the class teacher

- Praise from other teachers and the head teacher

- Class reward charts/displays or group effort or behaviour charts (working towards a group treat or reward)

- The Gold Book award which is given weekly by class teachers for outstanding effort, behaviour or achievement

- The Golden Award which is awarded termly to a pupil who has made exceptional effort or progress

- Achievement stickers

- A reward system which may be devised with the children

- A Writing Award collected from the head teacher's office

- A Mathematics Award collected from the head teacher's office

- Value Stars which are awarded to children by other children or adults in the school community who see our school values in action

- Special treats such as reward breakfasts for those children who are always behaving appropriately and working hard

**The value of LOVE is visible in every area of school life, and our strong inclusive community is strengthened by our other Christian Values of COURAGE, RESPECT and TRUTH.**
