

Summary of Whole School Priorities from the SDP 2018-19

The quality of teaching, learning and assessment (1)

1A. To improve Key Stage 2 reading results to match/exceed national standards. To be achieved through -

- The introduction of the new teaching tools 'Book Talk' and 'Read Theory' across KS2
- The redevelopment of the central library as a whole school resource for reading for pleasure
- A special 'Book Week' celebration in 2019

1B. To improve the provision of Science across the school. To be achieved through –

- Review of the Science curriculum currently taught and possible new scheme and assessment package
- Review of resources
- A dedicated 'Science Week' in 2019

1C. To develop RE teaching across the school using the resource 'Understanding Christianity'. To be achieved through –

- Staff INSET, support and monitoring

1D. To use our assessment tool to support those pupils with academic potential in making the rapid progress of which they are capable. To be achieved through –

- The creation of a separate tracking document for children achieving a standardised score of 110+

Personal development, behaviour and welfare (2)

2A. To develop the quality of provision at lunchtimes. To be achieved through –

- The opening of the new kitchen and improved supervision during lunchtime
- New opportunities for pupils both inside and outside during lunchtimes

The quality of leadership and management (3)

3A. To ensure that PP children are efficiently tracked and effectively supported both pastorally and academically. To be achieved through –

- The creation of individual pupil profiles to track our PP children

3B. To effectively manage the transition of new staff, new self-evaluation systems and new schemes of work. To be achieved through –

- INSET, staff meetings and appropriate training

Effectiveness of the Early Years provision: quality and standards (4)

4A. To trial a new online learning profile system which will streamline the workload for staff and improve parental involvement. To be achieved through –

- The purchase of IPADs and the online program and training for appropriate staff
