Recites numbers in order to 10. (M: N 30-50)

There are lots of buzzing bees near the beehive.

Fly the bees into the hive. Can you count them as they go? Can you say "buzz" in-between the numbers as you count from 1

to 10?

Questions to Extend and Deepen Understanding

While the children are completing the challenge, you may like to ask them the following questions:

- What number comes next?
- Can you say 'buzz' between the numbers?
- What number did you say as you reached the hive?

Challenge Set-Up Instructions

1. Provide some small world bees and a cardboard box 'hive' for children to use. These **Bee and Beehive Cut-Outs** could also be used.
2. Stick a small selection of these numbered **Flowers Display Posters** (numbers 0 to 9) at varying distances from the hive and place a bee on each.
3. Use the Questions to Deepen and Extend Understanding as prompts as the children are completing the activity.
