Gold Book Term

This week we presented our Gold Book to

Meadow: Charlie Wood

Woodland: Marina Stuart and Josh Willis

Ocean: Ozzie Baker

Mountains: Summer Smith

Well done!

After another busy week in school as we all adjust to the limitations imposed by Covid-19, it seems pertinent to re-issue a summary of official guidelines below.

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged by copying this address into your browser: <https://www.nhs.uk/ask-for-a-coronavirus-test>

All other household members who remain well must stay at home and not leave the house for 14 days. The 14-day period starts from the day when the first person in the house became ill / reported symptoms.

Household members should not go to work, school or public areas whilst exercise should only take place within the home. Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community.

If you are able, you are advised to move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home to stay with friends or family for the duration of the home isolation period.

COVID-19 Symptoms

A reminder of the most common symptoms of coronavirus (COVID-19) are the recent onset of:

A new continuous cough and/or;

A high temperature;

A loss of, or change in, normal sense of taste or smell (anosmia).

For most people, coronavirus (COVID-19) will be a mild illness.

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111, follow this link or copy this address into your browser: <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms>

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19:

*Wash your hands with soap and water often – do this for at least 20 seconds;

*Use hand sanitiser gel if soap and water are not available;

*Wash your hands as soon as you get home;

*Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze;

*Put used tissues in the bin immediately and wash your hands afterwards.

Further Information

Further information is available by following this link or copying this address into your browser:

We are aware that organising a test is currently difficult but do persevere and follow the correct procedure. Please keep the school informed at each step so that we can react quickly, and in the case of a positive test outcome, all relevant parties can then be informed and further instructions given.

'The rule of 6'

The latest government guidance has now come into force. Individuals are now not allowed participate in social gatherings of more than six people in any setting, indoors or outdoors. The school setting is exempt from this ruling but this exemption ends at the end of the school day. Please ensure that you adhere to this rule to help us all to continue to stay safe.

FRIENDS AGM

The Friends AGM is being held on Wednesday 30th September at 8pm online. Details to follow.

We would love to see you there.

All roles are up for nomination. If you wish to stand as Chair, Treasurer, Secretary or a Trustee, please contact one of the Friends committee members or email us

greatrollrightfriends@gmail.com

You can also find out more about us on our Facebook page 'The Friends of Great Rollright School'.

Jeans for Genes

Don't forget it is 'Jeans for Genes' day this Friday. Your child is invited to wear jeans to school with their school jumper and donate to the charity by bringing in £1.00 for our school collection.

If you would prefer to make your donation via Parent Mail that can be arranged by contacting the School Office by email and stating the amount.

Value for this week

Our Christian Value for this week is Peace.
