Protocol for School Tours

- Please do not enter the school premises if you are feeling unwell or if you are part of a self-isolation situation.
 - Please sanitize your hands using the dispenser inside the entrance hall.
 - Please wear a face mask at all times.
 - Please observe the social distancing rule of 2m as we tour the school.
-
- Please be aware that this tour is outside of the school day and it is not currently possible for you to watch us in action with the children. Please use our website www.great-rollright.oxon.sch.uk for more information and a virtual tour.
-
- I will aim to stop and talk about what we do and answer all questions in the school hall where there is maximum space or outside on the playground depending on the weather!

Thank you for taking the time to come and visit us in these strange circumstances. We are delighted that you are considering our school for your child and hope that we are able to give you a flavour of what we do to help you in this very important decision.

The value of LOVE is visible in every area of school life, and our strong inclusive community is strengthened by our other Christian Values of COURAGE, RESPECT and TRUTH.
