

The Egg Drop Challenge

The Goal of this Challenge

- ➔ Your goal is to make an egg survive a drop of 3 metres.
- ➔ You must use the supplies given to you and **nothing else** to help the egg survive the drop.

Materials at your disposal

- Scrap paper or newspaper
- Sellotape
- Shredded paper
- Kitchen roll
- Straws
- String
- Balloons

RULES – No Cheating!

- You are only allowed to use the resources listed.
- The egg must be able to come out and placed into the structure freely. It cannot be sellotaped down.
- You are not allowed to alter the outside of the egg shell.
- You can not wrap the egg in anything. But feel free to give it a silly face!
- All structures will be dropped from the same height.

RULES – No Cheating!

Finally...

BE CREATIVE

**I hope you have a
cracking time!**
