SATS week

Next week our Year 6 children will sit the government SATS exams which have been suspended for the duration of the Covid pandemic. At Rollright, we have always chosen to take a balanced approach to these tests – doing our best to ensure that they are not a cause of unnecessary and unhelpful stress. We know that our children shine in many, many amazing ways and that such tests only provide a snapshot of a limited range of skills exhibited on the day. We wish all of our Year Sixes the very best of luck; we will be there to encourage them at every step and know that, without doubt, they will do their best as they always do.

Year 4 Modern Foreign Languages Festival

This week Mrs Buckland and Miss Williams took the Year Four children to Chipping Norton School for the annual Modern Foreign Languages Festival. The children behaved superbly and joined in well with all of the activities on offer – even tasting some very smelly cheeses!
We enjoy taking children to events such as these as they are an invaluable way of building self-confidence and introducing children to new and exciting subject choices for the future.

Picture News

This week the discussion is about whether we have the right to say whatever we want to.

Parent Questionnaire

Many thanks to those of you who have already responded to the Parent Questionnaire. Your comments are very interesting and useful and the school team will discuss all points raised before I feed back on your ideas and suggestions.

The questionnaire is open until Monday morning so please do spend a couple of minutes providing us with invaluable feedback if you can.

Many thanks.

Value for this week

Our Christian Value for this week is Love

Jubilee Celebrations

We are planning to celebrate the Queen's Platinum Jubilee in school on Wednesday 25th May. Over the coming weeks, we will let you know more about our plans but the first thing we would like your help with is to collect as many 1 pence and 2 pence coins as possible please. If you could send them into school over the next few weeks, we plan to use what we collect in a range of games and activities on the day, culminating in making a sculpture of the Queen's head out of the coins.

We will then count the coins and bank them to buy something special.

We will place a pot in each classroom for the children to add the change to as and when you are able to send any in.

Many thanks for your help.
