Children joining Great Rollright School – Nov 22 – responses

Each year at Great Rollright, we ask our new Reception parents about the settling in process for their children. The questions and a selection of comments can be found below.

Are you happy with the information and support you received before your child joined the school? Was there anything missing that you really wanted to know? How useful was our 'Starting School' booklet and website in providing the answers you needed?

Info provided was perfect.

Everything is clear with plenty of information.

The booklet was very helpful and still is as a reference.

Do you feel your child has settled in well? Why do you think this is?

School minibus experience very positive.

Good relationships between older and younger children

Very impressed by social and academic development in term 1

The induction day pre-start of term was a great way to get the children to meet.

*Older children have played a big part in helping * settle.*

I think it is a very friendly and caring school.

Yes they are very open and approachable Yes

Communication is great. I feel comfortable enough to raise any concern.

Any further comments or suggestions (please use the back if necessary)?

Thank you for all the love and support we've been given.

Mornings feel very cosy and welcoming at drop-off- there is a lovely welcoming atmosphere on arrival which makes a big difference to a shy and sensitive child.

I'm so pleased I picked GR. She has already blossomed in the first term.

The children are so kind and lovely, and the family ethos shines through.

We feel very lucky to have a place at this school. All the parents and children are so lovely, warm and inviting.

My daughter is lucky to have 3 amazing teachers and lots of support.

We are so impressed with how much she has learnt in such a short time.

The value of LOVE is visible in every area of school life, and our strong inclusive community is strengthened by our other Christian Values of COURAGE, RESPECT and TRUTH.
