Equality and Diversity in the Workplace Policy

With the Christian value of LOVE at its heart, we have an inclusive community built on the Christian values of courage, truth and respect.

We engage, excite and enthuse our pupils, valuing each as an individual to be nurtured and enabled to achieve their potential in a safe and happy environment.

Every person in our school community has been made in the image of God and is loved unconditionally by God. Everyone is equal and we treat each other with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and hospitable community. Each person in all their unique difference should be able to thrive, irrespective of physical appearance, gender, race, religion, ethnicity, socio-economic background, academic ability, disability, sexual orientation or gender identity.

We are committed to promoting the understanding of the principles and practices of equality – treating all members of our school community as individuals, according to their needs, with an awareness of our diverse society and appreciating the value of difference. We actively seek to challenge discrimination and we promote an anti-bullying stance which makes clear the unacceptability of racist, disablist and homophobic, biphobic and transphobic bullying and language.

Legal duties

As a school we welcome our duties under the Equality Act 2010 (updated 2014). The general duties are to :

- Disability
- Race

In order to meet our general duties. listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- Publish equality information – to demonstrate compliance with the general duty across its function (We will not publish any information that can specifically identify any child)

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above, however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities and the Human Rights Act 1998.
