School Development Plan – Our priorities for 2023-2024

Objective 1 – Quality of education

All of our pupils develop detailed knowledge and skills across the curriculum and, as a result, achieve well. This is reflected in the work pupils produce and the progress they make.

- 1.1 – to further develop our ‘mastery’ approach in History, Geography and Science
- 1.2 – to develop a progressive blend of substantive and disciplinary knowledge in Science
- 1.3 – to improve outcomes in Maths for all pupils with a focus on reasoning
- 1.4 – to improve outcomes in writing by reviewing the whole school plans and embedding rigorous moderated assessment
- 1.5 – to deliver the new RE syllabus to the highest standard

Objective 2 – Behaviour and attitudes

Our pupils’ attitudes to their education are positive. They are kind to one another and respectful of individual differences.

- 2.1 – to introduce our ‘bee rules’ which focus on manners, gratitude and smartness

Objective 3 – Personal development

We provide pupils with meaningful opportunities to understand how to be responsible, respectful, active citizens who contribute positively to society. Pupils know how to discuss and debate issues and ideas in a considered way.

Objective 4 – Leadership and Management

Our staff consistently report high levels of support for wellbeing issues and personal development.

- 4.1 – to improve communication across the school community
- 4.2 – to monitor the SEND support offered in school and ensure that each child is receiving the best quality education we can provide

Objective 5 – Early Years

Our children have a wonderful start to their education in a warm, inclusive environment

- 5.1 – to develop the outdoor continuous provision to ensure that it meets the needs of all learners

The value of LOVE is visible in every area of school life. Our inclusive community is bound together with this golden thread and is further strengthened by the Christian values of COURAGE, RESPECT and TRUTH.
