Odd Sock Day

Don't forget that next Monday, 13th November, we kick off Anti-Bullying Week 2023 with Odd Sock day. Please encourage your child to come to school in odd socks to emphasize the message that we are all different and equally wonderful!

Bikeability

This week, nine of our Year 6 children completed their Bikeability training. They spent two days outside learning how to ride safely on the roads and care for their bikes under the expert tuition of Bikeability staff. Despite some challenging weather, the children did really well and enjoyed the experience. They all received certificates and badges at the end of the course. Well done to everyone who took part!

Remembrance Day 2023

On Friday, 10th November, the whole school visited St. Andrew's Church for a short Remembrance Day reflection. Each class made a shared wreath to honour those who have given their lives in wars, past and present. Some of the older children shaped the experience by speaking about the reasons why we must always remember at this time. Poems were shared and a 2-minute silence was held by all before the reflection ended with a prayer. Some of our children wore their special group uniforms which was lovely to see. A group of children brought the wreaths to the front of the church where they were left as a tribute to the fallen.

School Photographs

Next Friday, 17th November, is individual school photograph day. Please send your child into school wearing their school uniform that day along with their PE kit if needed.

If you would like to include a sibling who is not at school there will be some early appointments available from 8a.m. Please contact the school office to arrange a time slot.

Reception 2024

We are currently showing prospective parents around for admission to Reception in 2024. Please do encourage the people you know to come and visit us to see what we offer. The deadline for applications for September 2024 is 15th January 2024.

Picture News

This week the discussion is about the importance of money!

Street Dance

On Friday, 10th November, The Mountains Class enjoyed a Street Dance workshop as part of the CNS partnership programme. Everyone enjoyed learning some moves and performing as part of a group. We appreciate all of these opportunities that the partnership enables us to enjoy.
